18th July 1929

Dear Mr. Hodson

I agree with you. The question
of Birth-control cannot be buried
& should be freely & fully discussed.
for everyone of us is concerned.

I cannot take part: I am
struggling now to fulfil promises
made 2 years ago & which have
to be met. You will have no difficulty
in finding more able pens than mine
to handle the subject.

Yours very truly
Arthur Keith
